

Opelousas Police Dept. Press Release

Date: March 1, 2010

Business Burglar Arrested In Early Morning Break-In

Business Burglar Arrested In Early Morning Break-In

From: The Opelousas Police Dept. (Chief Perry Gallow)

Members of the Opelousas Police Department's Patrol division took swift action in the early morning ours by capturing Mr. Brian Oneal Leday who was caught inside the business of Home Health care, located on S. Main St. in Opelousas. Officers responded to a alarm activation at the business place and by employing, stealthy tactics were able to capture Mr. Leday inside of the business, and take him into custody without incident. Alarm calls in the early morning hours are handled by officers with extreme caution and alertness. Mr. Leday was booked for unauthorized entry of a place of business and simple criminal damage to property. I just want to warn thieves that when you think about going in someone's home, business, or vehicle you need to be aware that our officers do not take this lightly and are aggressive in their efforts on a daily basis to reduce these and all types of crime in our community. And to the public who assist us we praise you and your efforts to assist your Police Department.

As Chief would I like to thank everyone who has given information that has assisted our officers with this and other investigations. Anyone with information about a crime is asked to contact the Opelousas Police Department at (337) 948-2500 or on the TIPS LINE at (337) 942-1692
