Repeat Offender Nabbed

From: Chief Perry Gallow

THIRD ARREST IN LESS THAN SIX MONTHS

Chief Perry Gallow of the Opelousas Police Department said that his Crime Suppression Team has arrested Desmond Jason of the 900 block of Sandoz Street again for Crack Cocaine charges. Chief Gallow said that Mr. Jason has been arrested on October 1 2009, March 24, 2010, and April 09, 2010 and all of his charges have been felony Cocaine charges. Chief Gallow states that his Department is striving to keep the streets and neighborhoods free of these criminals but they keep getting back out and on the street doing the same thing over and over again. Chief Gallow states that this arrest has raised more concern because Mr. Jason was in possession of a pistol and he is already a convicted felon and can not be in possession of any firearm. Chief Gallow wants the citizens to

know that he and his department will continue to arrest these criminals until they decide to change their lifestyle and quit committing crimes or until they get prison time and are off the streets for a long period of time. Chief Gallow wants to thank all the citizens who have helped the Police Department in arresting criminals over the years and encourages anyone seeing a crime to call and you will remain anonymous.
